# A4 Print Tiles

(Print in actual 100% size)

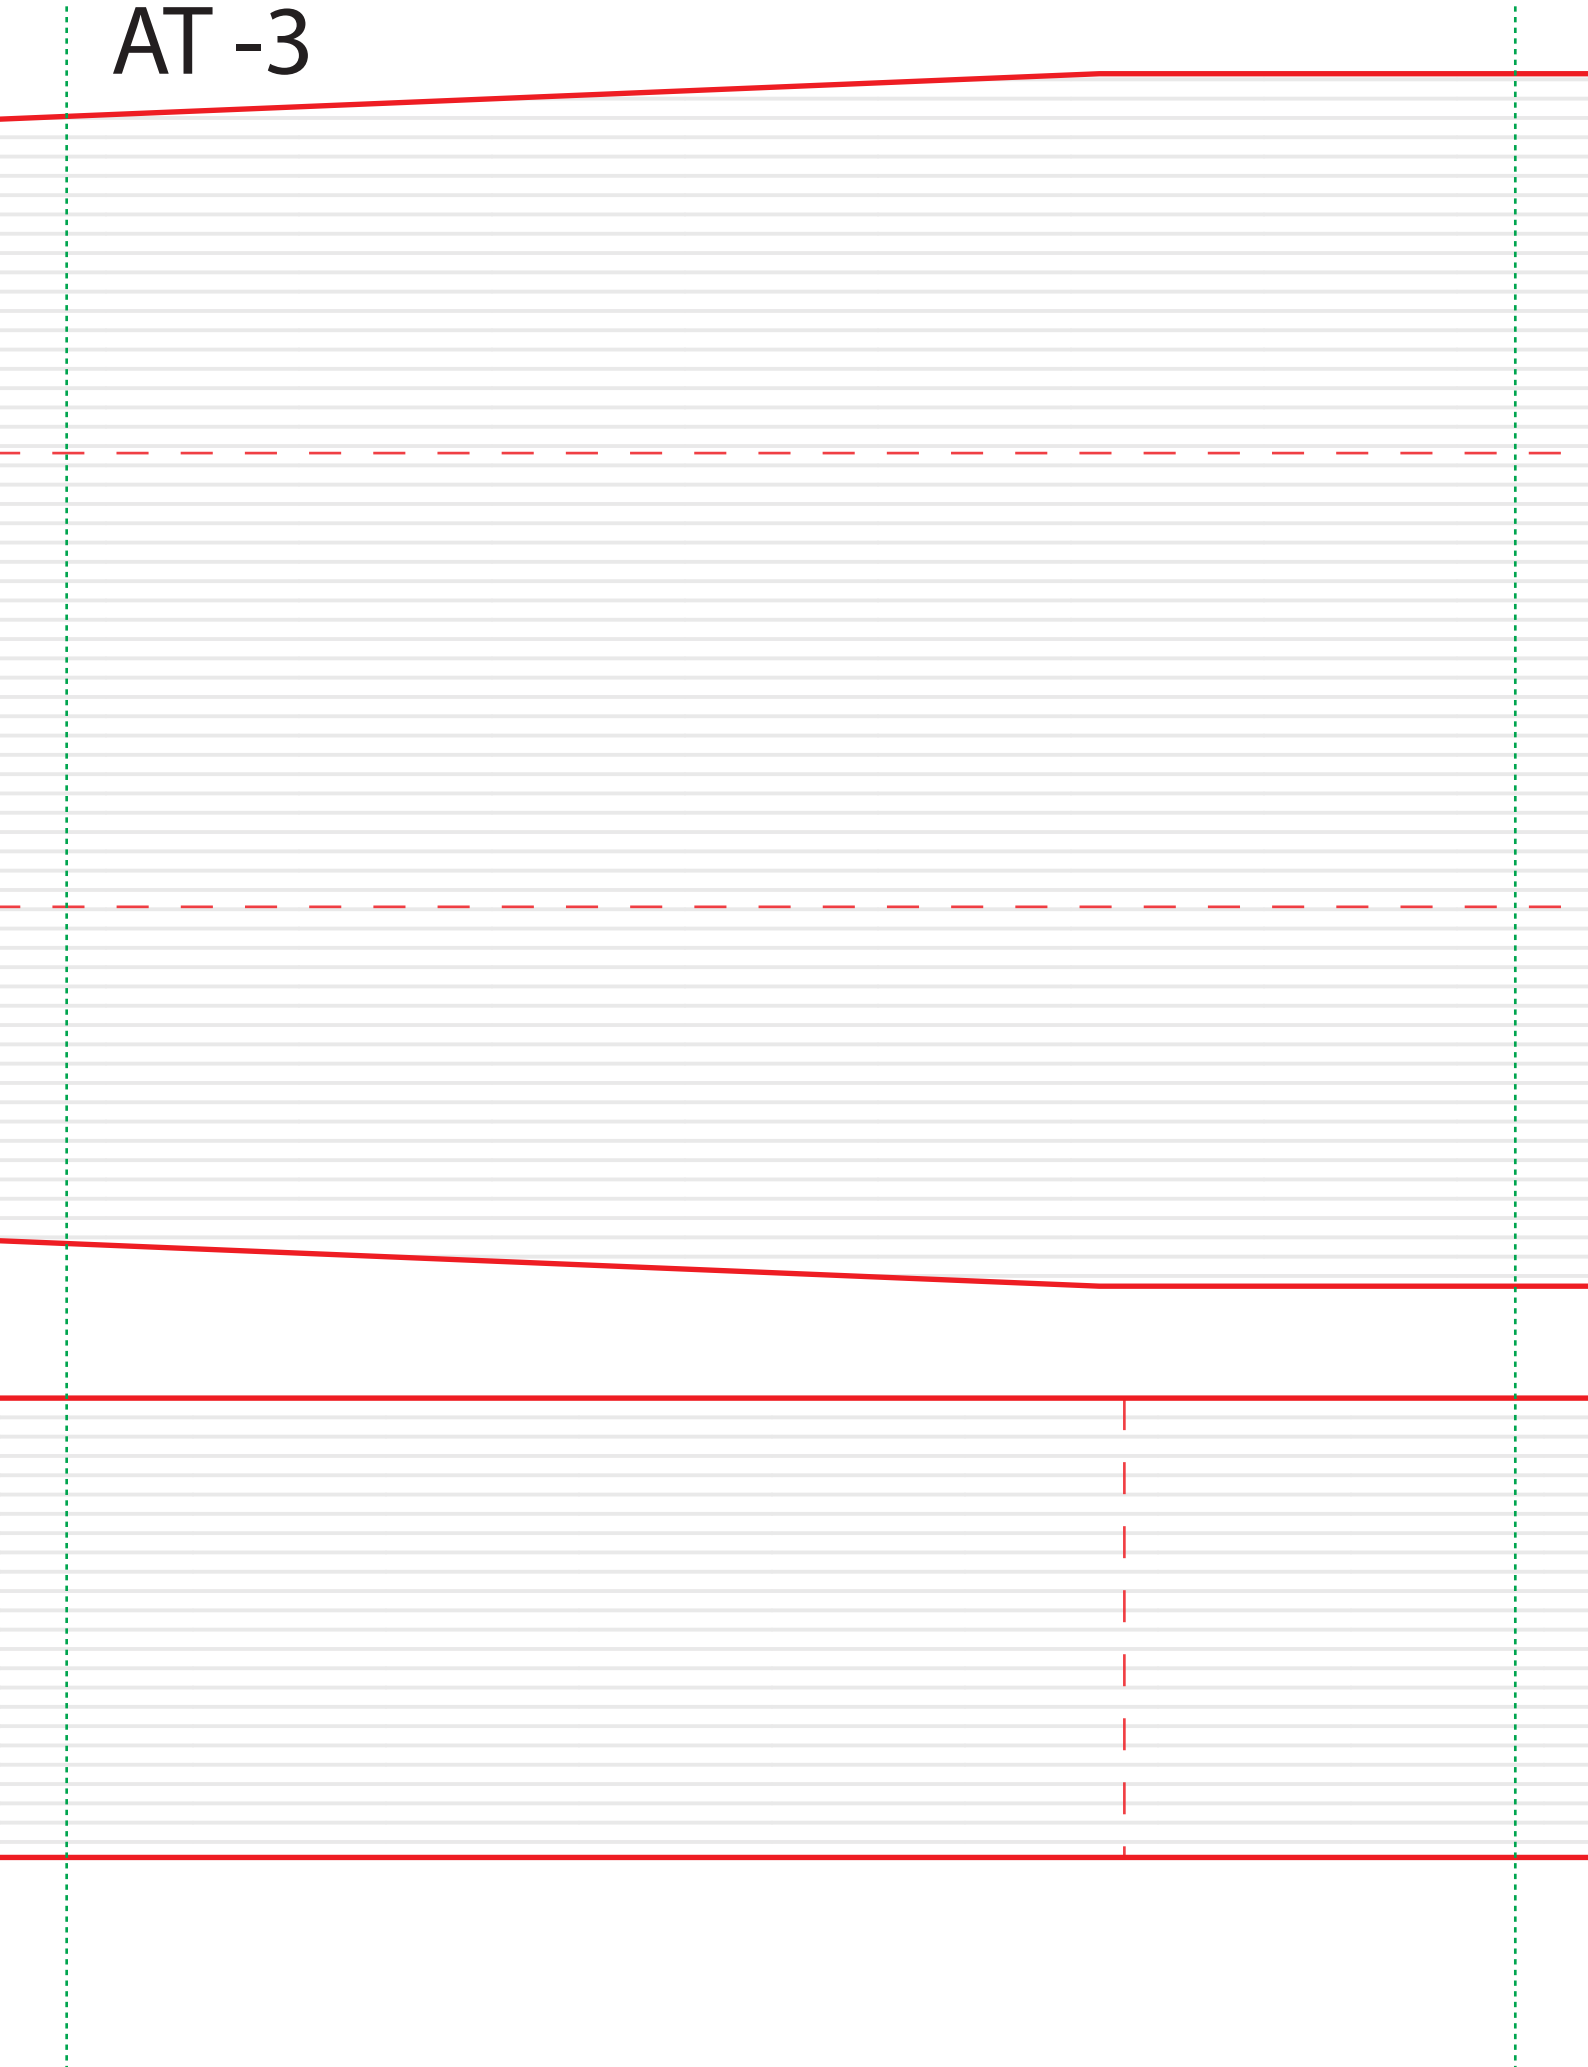

AT -1

The image shows a red-outlined form on a page with horizontal grey lines. The form is divided into three main sections. The top section is a trapezoid that is wider on the right side. The middle section is a rectangle with two horizontal dashed red lines. The bottom section is a simple rectangle. The entire form is bounded by two vertical green dashed lines, one on the left and one on the right.
